## OPENER - CLOSER

Sides face grand square

I'm longin tonight, once again to roam

To the beautiful valley I call home

There's a girl I adore I'm longing to see

In the beautiful Yo Ho valley

Circle to the left

Yo hodel ladeeee yodel ladeeee yodel laheedel eeooo

I'll sing you a song, promenade along

Yo hodel ladeeee yodel ladeeee yodel laheedel eeooo

In the beautiful Yo Ho valley

## ALTERNATE LYRICS

When we met my dreams all came true

I gazed in her eyes, so beautiful blue

Her smile ever lingers like a golden memory

In the beautiful Yo Ho valley

## FIGURE

Heads circle four half around and back away

Side couples star thru and pass thru I say

Swing thru and then spin the top once more

Slide thru and eight chain four

I'll search til I find the one I left behind

Corner you swing, promenade the ring

Darlin' you're the one I was longing to see

In the beautiful Yo Ho valley

## ALTERNATE LYRICS

Four ladies promenade go walkin' round the land

When you get back home swing with your man

Join all your hands circle to the left you know

Left allemande and weave the ring

I get a thrill wandering through the hills

Swing with your maid then you promenade

Darlin you're the one I was longing to see

In the beautiful Yo Ho valley
