OPENER - CLOSER

Sides face, grand square
When there's a shadow near, reach for the sun
When there is love in you, look for the one
And for the promises, there is the sky
And for the heavens are those who can fly
4 ladies chain straight across
Chain your ladies back and promenade her home
If you really want to you can hear me say
Only if you want to will you fly away

FIGURE (1, 4)

Head (side) couples square thru 4 hands you go
Around your corner, dosado one time
Swing thru & then, spin the top for me
Boys walk up, right & left thru, turn your girl
Square thru 3 hands round you go
Swing your lady around & promenade the floor
If you really want to you can hear me say
Only if you want to will you fly away

FIGURE (2, 3)

Heads (sides) you promenade 1/2 way,
walk in & square thru 4 now
All the way, swing thru, boy run around the girl
Couples circulate you do,
1/2 tag, scoot back, hear me say
Swing your baby, go, promenade you do
If you really want to you can hear me say
Only if you want to will you fly away

MIDDLE BREAK

4 ladies chain across you go
Chain your ladies back and dopaso
Turn partner left and corner right my friend
Courtesy turn, square your sets,
sides face, grand square
Want to you can seize the day
Only if you want to will you find a way
If you really want to, you can hear me say
Only if you want to will you fly away

TAG

If you really want to you can hear me say
Only if you want to will you fly away
