## OPENER

Sides face, grand square  
All my bags are packed I'm ready to go  
I'm standing here outside your door  
I hate to wake you up to say goodbye  
Allemande left and weave the ring  
(But the) dawn is breakin' it's early morn'  
(The) taxi's waitin' he's blowin' his horn'  
Already I'm so lonesome I could cry

## FIGURE

Heads square thru and smile for me  
Tell me that you swing thru here  
Spin chain thru, boys circulate go once  
Recycle now, pass thru  
Trade by, swing on a jet plane  
Promenade I'll be back again  
Oh babe I hate to go

## FIGURE

Heads you promenade come to leave you  
Right and left thru let me kiss you  
Touch a quarter, boys run  
Spin chain the gears  
Every place I go I think of you  
Every song I swing, promenade for you  
When I come back  
I'll wear your wedding ring

## MIDDLE BREAK - CLOSER

Sides face, grand square  
\*So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
Allemande and weave  
\*\*I'm leaving on a jet plane  
Don't know when I'll be back again  
Oh babe I hate to go

## FIGURE

Heads you promenade come to leave you  
Right and left thru let me kiss you  
Touch a quarter, boys run  
Spin chain the gears  
Dream about the days to come  
When I won't have to swing, promenade  
About the time when I don't have to say

## CLOSER

Sides face, grand square  
So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
Allemande and weave  
I'm leaving on a jet plane  
Don't know when I'll be back again  
Leaving on a jet plane  
Don't know when I'll be back again
