OPENER

Circle left

The last that ever she saw him
Carried away by a moonlight shadow
Allemande left with corner, turn partner right
Left allemande and weave the ring
Lost in a river last Saturday night
Swing that girl, promenade in time
He was caught in the middle of a desperate fight
And she couldn't find how to push through

FIGURE

Heads (sides) you square thru to 4
Carried away, dosado
Swing thru and boys run
Bend a line with right & left thru
Flutter wheel and then slide thru
Swing that girl and promenade you do
He was caught in the middle of a desperate fight
And she couldn't find (how to push through)

MIDDLE BREAK - CLOSER

Sides face, grand square
I stay, I pray
I see you in heaven one day
I stay, I pray
I see you in heaven
Allemande left and weave
Stars move slowly in a silvery night
Swing that girl, promenade in time
He was caught in the middle of a desperate fight
And she couldn't find (how to push through)

TAG
