OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square go
If you're going to San Francisco
Be sure to wear some flowers in your hair
Four ladies chain on the streets
You chain them back and promenade her
You're gonna meet some gentle people there

FIGURE

Heads you square thru 4 now
Around your corner dosado her
Swing thru tonight, boys run, ferris wheel go
Pass thru, touch 1/4, scoot back and then
Swing, promenade her
You're gonna meet some gentle people there

TAG

Four ladies chain and chain them back (hum)

ALTERNATE LYRICS

For those who come to San Francisco
Be sure to wear some flowers in your hair
