OPENER - MIDDLE BREAK - CLOSER

Four ladies chain straight across around you do
Rollaway and circle left you do
Rollaway and circle left to get there
To the allemande left and weave the ring
Heal the world, make it a better place
For you and for me and the entire human race
There are people dying, if you care enough for the living
Make a better place for you and for me

FIGURE

Head couples square thru get me four hands go
Around your corner lady dosado with your own
Swing thru tonight, let the boys run to the right
Chain down the line, slide thru, pass thru
Left allemande you go, swing your lady, promenade her
Ways to get there if you care enough for the living
Make a little space, make a better place

FIGURE

Head couples promenade go half way
Walk in and square thru gonna get me four
All the way do a right and left thru then
Eight chain six go
There's a place in your heart and I know that it is love
You swing your baby, promenade

TAG

You and for me, you and for me
You and for me, you and for me
You and for me (better place for living, secret for the children)
