## OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

\*Every night in my dreams I see you, I feel you

That is how I know you go on

Allemande left and weave

\*\*Far across the distance and spaces between us

You have come to show you go on

## ALTERNATE LYRICS

\*Near, far, wherever you are

I believe that the heart does go on

\*\*Once more, you open the door

And you're here in my heart

And my heart will go on and on

## FIGURE

Heads (sides) square thru 4

With your corner dosido

Swing thru, girls fold

Peel off, girls trade

Cast off 3/4, load the boat

Swing your girl and promenade

And you're here in my heart

And my heart will (go on and on)

## CLOSER (ALTERNATE)

Head ladies center teacup chain

Near, far, wherever you are

I believe that the heart does go on

4 ladies promenade, get back home, swing and promenade

And you're here in my heart

And my heart will go on and on

## TAG

Well, face your partner, and yellow rock

## FIGURE (ALTERNATE)

Heads square thru 4 with the corner dosado

Swing thru, boys run

Bend the line, do a right and left thru

Ladies, walk across, star thru and promenade

And you're here in my heart

And my heart will go on and on
