AR-112

Called by

### OPENER - MIDDLE BREAK - CLOSER

Circle Left

First I get cold then hot, think I'm on fire but I'm not

Oh what a pain I got, it must be love

Left allemande and then dosado my friend

Left allemande and then weave that old ring

It must be love, it must be love

I fall like a sparrow and fly like a dove

You must be the dream I've been dreaming of

Oh what feeling, it must be love

### FIGURE

Heads square thru and go 4 hands around you know

Find that corner then dosado

Swing thru tonight, boys you run to the right

Bend that old line then go right & left thru

Flutter wheel across, well you roll it go

Slide thru and swing your lady promenade home

You must be the dream I've been dreaming of

Oh what a feeling, it must be love
