

That's The Reason

A & S - 109

Called by Danny Thomas

OPENER - MIDDLE BREAK - CLOSER

Circle left

* I have a mother over yonder

And she's waiting on that golden shore

Hey now the men star by the right and roll it along

Allemande that corner lady, weave the ring

** I have a father there beside her

Swing that girl and promenade around that ring

That's the reason I'm getting ready

That is why I want to go

ALTERNATE LYRICS

* That's the reason I'm getting ready, that is why I want to go

** And what a wondrous sweet reunion there'll be

FIGURE

Well now 1 & 3 (2 & 4) promenade halfway round the ring

Come down the middle and then go right & left thru

Hey square thru and travel four hands around that ring

Dosado the outside two, gonna make this wave

Swing thru two by two, boys trade, turn thru

Left allemande, come back swing and promenade

That's the reason I'm getting ready

That is why I want to go
