

Opener - Break - Closer

Circle Left

• Hey look way over yonder, what do you think I see
I see a band of angels, Lord, they're coming after me.

•• Well going down to the river
gonna bury my knees down in the sand.
I'm gonna holler hallelujah
till I reached that promised land.

••• Well go down yonder Gabriel
put your foot on the land and sea.
But don't you blow that trumpet boy
until you hear from me!

Allemande Left your corner, turn partner by the right
Allemande Left that corner girl, weave the ring tonight
Ain't no grave gonna hold my body down
Swing your lady and promenade the square
When I hear that trumpet sound
I'm gonna get up and walk around
Ain't no grave gonna hold my body down
