

BHP-2  
MADE IN JAPAN

Called By  
Bill Odam

### **Opener / Sides Face Grand Square**

My transistor radio, comes from far away  
and when it's night over here over there it's breaking day  
Allemande and weave the ring  
I remember all the good times  
I had a walkin in the sand  
Swing your girl then all promenade  
With the beautiful girl I met in Japan

### **Figure Twice Heads / Sides**

Square thru and count four hands around and go  
around your corner do a do si do  
swing thru and then spin your top and now  
boys move up and do the right and left thru  
square thru and count them move it three hands and go  
swing your corner and then you all promo.  
That's when I fell in love with the girl from Japan

### **Middle break and Closer**

Four ladies promenade go inside,  
get home and swing your man around and around  
Join hands hand's circle to the left and now  
Allemande the corner and weave  
My transistor radio comes from far away  
Swing your girl then you all promenade  
And when it's night over here over there it's breaking day

### **Tag, - Swing em'**

And when it's night over here over there it's breaking day
