### **Opener - Middle Break - Closer**

Sides Face Grand Square

Some day when we meet up yonder

We'll stroll hand in hand again

Allemande and Weave

In a land that knows no parting

Swing and Promenade

Blue eyes crying in the rain

### **Figure / Twice Heads I Sides**

Promenade go half way down the middle

Pass The Ocean.....Extend

Swing Thru and the boys run

Bend the line and go right and left thru

Flutter wheel around then slide thru

Swing the corner, promenade

Blue eyes crying in the rain
