

Heartbreak Express

ENIS-2402

Called by
Kenny "Little Enis" Jarvis
& Wes Dyer

OPENER - MIDDLE BREAK Circle left

*I've been a rambler most all of my life
Had a lot of women, but I never took a wife
Allemande the corner girl, come home dosado
Allemande the corner and weave the ring you know
**I've got a woman in every little town
Swing that girl and promenade her round
Get out of my way boys, I ain't slowing down
Cause the heartbreak express is coming through town

FIGURE

Heads square thru in the middle of the ring you go
All the way and do a dosado
Swing thru tonight, now spin the top for me
Boys move up, right & left thru and turn the girl you see
Flutter wheel straight across, sweep 1/4 more
Swing that girl, promenade the floor
Get out of my way boys, I ain't slowing down
Cause the heartbreak express is coming through town

ALTERNATE LYRICS

*You'll know I've been there when I come to your town
I'll break a heart, whenever I'm around

**I love 'em and I leave 'em, in every little town

CLOSER

4 boys promenade in the middle of the ring you go
Get back home and swing the girl around you know
Join hands and circle to the left go moving round
Allemande the corner girl, and weave around the town
Wind it in and out around, until you meet your own
Swing that girl and promenade her home
Get out of my way boys, I ain't slowing down
Cause the heartbreak express is coming through town
