OPENER - CLOSER

Circle left

If you told me that you loved me, I'd feel so proud
If you let me hold you honey, I'd holler out loud
Walk around the corner girl, see saw your own
Left allemande the corner and weave that ol' ring
Won't you let me, baby, just-a kind-a hang around
I'll always love ya honey, swing and promenade on down
I'll never love another, even if I can
So come to me baby, I'm a one woman man

FIGURE

Head (side) two couples promenade go halfway around
Come down the middle, square thru four hands around
Four hands and then do a right & left thru
Veer to the left, ferris wheel around you do
Centers square thru count me 3/4 round
Swing the corner then you promenade on down
I'll never love another, even if I can
So come to me baby, I'm a one woman man

MIDDLE BREAK

Sides face grand square
(32 beat instrumental)
Heads face grand square
(32 beat instrumental)
Ah, swing her

CLOSER (ALTERNATE)

Sides face grand square
I'd climb the highest mountain if it reached up to the sky
To prove that I love ya, I'd jump off and fly
I'd even swim the ocean from shore to shore
To prove that I love you just a little bit more
Four ladies promenade one time around
Get back home and swing and promenade on down
I'll never love another, even if I can
So come to me baby, I'm a one woman man
