

# Let's Get Down To It

ENIS-2601

Called by  
Tim Carman

## OPENER - CLOSER

Circle left

\*I don't need your love on a silver platter

Let's get down to the nitty grit

You walk around that corner girl then see saw your own

Left allemande and weave the ring

Oh, I know that you want me to

Swing and promenade that girl with the big green eyes

Baby let's come to grips...don't play so hard to get

Honey let's get down to it

\*I get a chill every time you're near me

You've got my heart doin' flips

## FIGURE

Head couples promenade go half way

Lead to the right and do a do-si-do

Swing thru tonight, boys you run right

Bend the line and do the right and left thru

Pass thru, tag the line all the way down

Girl go left and the boy go right

Swing and promenade

\*\*So put a freeze on the teasin'

Let's get on with the pleasin'

Honey let's get down to it

\*\*(second verse)

So cut out all that chatter and

Get to the heart of the matter

Honey, let's get down to it

## MIDDLE BREAK

Sides face, grand square

Four ladies promenade go once inside the ring

You're gonna get back home and swing and

Then you all promenade

Baby let's come to grips...don't play so hard to get

Honey, let's get down to it
