

Gotten Good At Goodbyes

ENIS-2700

Called by Cecil Vest

OPENER

Circle left

What a rotten day this turned out to be

Left allemande the corner, dosado for me

Allemande left, weave the ring

She just got all her things, threw 'em into a pile

Swing with your lady, promenade her in style

She done this before, but this time she didn't cry

FIGURE

Heads (sides) square thru 4 hands round you go

Dosado, swing thru and then, spin the top round you go

Do a right & left thru, flutter wheel straight across

Sweep 1/4 and then, swing with your corner

Promenade her my friend

*She done this before, but this time she didn't cry

ALTERNATE LYRICS

*She may not return, cause this time she didn't cry

MIDDLE BREAK - CLOSER

Sides face grand square

That's why I'm sittin' on the front step starin' down the road

Wondering if she'll come back this time, I don't know

After she packed she looked back

Left allemande and weave the ring

Wind in and out around until you meet your lady

Swing, promenade her for me

That's got me worried thinkin' maybe

My baby's gotten good at goodbyes
