Called by

OPENER - MIDDLE BREAK

Sides face grand square

*I know you loved him a long time ago

Even now in my arms, you still want him, I know

Circle left

**But darling this time

Left allemande, swing, promenade her home

When you love me tonight, don't close your eyes

ALTERNATE LYRICS

*Maybe I've been a fool holding on all this time

Lying here in your arms, knowing he's in your mind

**But I keep hoping some day

FIGURE Heads (sides) promenade halfway around

Walk in and square thru 4 hands around

Four hands and then do the right & left thru

Veer left and then ferris wheel you do

Square thru go 3 hands and then

Swing the corner girl, promenade for me

When you love me tonight, just hold me tight

And don't close your eyes

CLOSER

Circle left

Don't close your eyes, let it be me

Don't pretend it's him in some fantasy

Men star right go one time tonight

Left allemande, weave the ring, it's right

Don't close your eyes, let it be me

Swing the girl around, promenade with me

When you love me tonight, just hold me tight

And don't close your eyes

TAG

When you love me tonight, don't close your eyes
