

Frosty The Snowman

Flip-7

Caller:
Glenn Wilson

OPENER - MIDDLE BREAK

Circle to the Left

Frosty the snowman was a jolly, happy soul

With a corn cob pipe

A button nose, two eyes made out of coal

Men Star Right, once around tonight

Allemande Left your corner girl, Weave around the Ring

There must have been some magic in
that old silk hat they found

Swing that lady round and round and Promenade the town

Frosty the snowman was a fairy tale they say

He was made of snow but the children know

How he came to life one day

FIGURE

Head Pass the Ocean, Same Sexes Trade

Extend and then, everybody Swing Thru

Boys Run to Right and Ferris Wheel there too

Pass Thru and now, we'll all Slide Thru

Square Thru and go, 3/4 around

Swing and whirl the corner girl and Promenade the town

Frosty the snowman was a fairy tale they say

He was made of snow but the children know

(How he came to life one day)

CLOSER

Circle Left

Frosty the snowman was a jolly, happy soul

With a corn cob pipe

A button nose, two eyes out of coal

Left Allemande the corner girl, Turn your Partner by the Right

Allemande Left your corner girl, Weave the Ring tonight

There must have been some magic in

that old silk hat they found

For when they placed it on his head

He began to dance around

Frosty the snowman was a fairy tale they say

He was made of snow but the children know

How he came to life one day

TAG

But he waved goodbye saying "Don't you cry

I'll be back again some day"
