**Opener; SFGS** How old was I when I first seen Old Rivers / I can't remember when he weren't around / that old man did a heap of work / spent his whole life walking plowed ground.

**Allemande Left & Weave** He had a one room Shack not far from us / and we was as poor as him / He had one old Mule called Midnight / and I'd tag along after them.

**Figure 1&2 Start Heads / 3&4 Start Sides**

Square thru 4 / meet your corner/ Swing thru / now Spin Your Top / Go Right and Left Thru / Square Thru 3 Hands round / Your corner Swing and Promenade / Just bustin up Clods with my own bare feet / Old Rivers was a Friend Of Mine.

**Middle Break; SFGS** Well that Sun would get high and that Mule would work / and finally Old Rivers would say "Whoa " / he'd wipe his brow lean back on the Reigns / and tell me of a place he's gonna go.

**Allemande Left& Weave** He'd say " One of these days I'm gonna climb that Mountain / Walk up there among them clouds / Where the cottons high and the corns a growin / and there aint no fields to plow".

**Closer SFGS** I got a letter today from the folks back home / and they all fine and the crops are dry / Down at the end my mum said / "You know Old Rivers Died". **Allemande Left & Weave**

Now one of these days I'm gonna climb that Mountain / and walk up there among the clouds / Where the Cottons high and the Corns a growin / and there aint no fields to plow. Swing.

That Mule, Old Rivers and me
