

## Dream Lover

JRR-106

Called by  
Bruce Simperts

### OPENER - MIDDLE BREAK - CLOSER

Sides face grand square  
Every night I hope and pray  
A dream lover will come my way  
A girl to hold in my arms  
And know the magic of her charms  
Left allemande, dosado  
Left allemande and promenade you know  
I want a dream lover so I won't have to dream alone

### ALTERNATE LYRICS

\*Dream lover, where are you  
With a love that's oh so true?  
And a hand that I can hold  
To feel you near when I grow old?

\*Dream lover, until then  
I'll go to sleep and dream again  
That's the only thing to do  
Until my lover's dreams come true

### FIGURE

Heads square thru four hands go  
Around that corner lady do a dosado  
You swing thru and then, the boys run right  
Half tag, follow your neighbor and spread  
The girls trade, recycle 'round  
Swing that corner lady, promenade around  
I want a dream lover so I won't have to dream alone

### TAG

I want a dream lover so I won't have to dream alone
