You're sorry, you're lonesome and scared

Left allemande the corner, come back dosado

Swing your girl, promenade round the square

Here's a quarter, call someone who cares

Lyrics

Here's a Quarter (Call Someone Who Cares)

You say you were wrong to ever leave me alone
Now you're sorry, you're lonesome and scared
And you say you'd be happy if you could just come back home
Well, here's a quarter, call someone who cares

Call someone who'll listen, and might give a damn
Maybe one of your sorted affairs
But don't you come 'round here handin' me none of your lies
Here's a quarter, call someone who cares

Girl, I thought what we had could never turn bad
So your leavin' caught me unaware
But the fact is you've run... girl, that can't be undone
So here's a quarter, call someone who cares

Call someone who'll listen, or might give a damn
Maybe one of your sorted affairs
But don't you come 'round here handin' me none of your lies
Here's a quarter, call someone who cares
Yeah, here's a quarter, call someone who cares
