

Born To Be Blue

LBR-1105

Caller: Mel Wilkerson

OPENER - SIDES FACE, GRAND SQUARE

They say everybody's got a someone
A sweet somebody to love
It might be fate or destiny
Maybe written in the stars above
Allemande and weave
I can't help but wonder
After all that I've been through
Maybe my baby's nowhere to be found
And I was just born to be blue

ALTERNATE LYRICS

Was I born to be unhappy
just to live on Heartache Street
Was I born to go to bed each night
cryin' myself to sleep
Allemande and weave
Can somebody help me,
Just give me some kind of clue
Tell me I'm wrong...tell me I'm right...
But don't tell me I was born to be blue
They say nobody dies from heartache
You can't drown in your own tears
But who wants to live in this world alone
When minutes turn into years
Allemande and weave
So I'd rather go down believin'
Suffer a heartache or two
Tell me I'm wrong, tell me I'm right
But, don't tell me I was born to be blue

Lyrics

Born To Be Blue [The Judds - Born To Be Blue - YouTube](#)

Maybe I'm wrong
Maybe I'm right
Maybe I just don't know
Will I ever fall in love
And never have to worry
That I'm fallin' all alone?
Maybe it's true
I was just born to be blue
Maybe it's true
I was just born to be blue

They say everybody's got a someone
A sweet somebody to love
It might be fate or destiny
May be written in the stars above
But I can't help but wonder
After all that I've been through
Maybe my baby's nowhere to be found
And I was just born to be blue

Was I born to be unhappy?
Just to live on heartache street
Was I born to go to bed each night
And cry myself to sleep?
Can somebody out there help me?
Give me some kind of clue
Tell me I'm wrong, tell me I'm right
But, don't tell me I was born to be blue

They say nobody dies from a heartache
You can't drown in your own tears
But who wants to live in this world alone
Where minutes turn into years?
So I'd rather go down believin'
Suffer a heartache or two
Tell me I'm wrong, tell me I'm right
But, don't tell me I was born to be blue

Was I born to be blue?
Born just to cry?
Born to be alone 'til the day I die?

Somebody tell me

Was I born to be loved?
Born to be kissed?
Born to find the one to show me what I missed?

Was I born to be blue?
Born just to cry?
Born to be alone 'til the day I die?

Tell me, mama

Was I born to be loved?
Born to be kissed?
Born to find the one to show me what I missed?
