**It was Della, her lover, a dog named Jake, And a cat named Kalamazoo
They left the city in a pick up truck, To make some dreams come true

BREAK

Circle Left

Left Tucson in a pick-up truck, Gonna make some dreams come true
Down Tucson way there's a small cafe, Where they play a cowboy tune
Men Star by the Right, one time around
Allemande Left with the corner girl and Weave around The Ring
The picker played a sweet love song
Della got a fire in her eye
Swing your partner, Promenade on by
If that cat could talk what tales he'd tell
But the cat was cool and he never said a mumblin' word

FIGURE

Heads/Sides Promenade Half-Way around the square
Down the middle and you Star Thru, Pass Thru you do
Swing Thru down the pike Boys Run to the right
Ferris Wheel to the middle of the set
In the middle, do the Right And Left Thru
Square Thru Three-Quarters round
With the corner lady Swing,
Swing that corner and Promenade

If that cat would talk what tales he'd tell
But the cat was cool he never said a mumblin' word
