But I'll be on your case and tear up your face
If you try to take my hat

But I'll be on your case and tear up your face
If you try to take my hat

MIDDLE BREAK

I don't go looking for trouble
But if it comes, I'll take my stand

Let me be what I wanna be
Swing your girl and then you Promenade
But I'll be on your case and tear up your face
If you try to take my hat

CLOSER

I'll tip my hat to a lady
But I won't take it off for no man

But I'll be on your case and tear up your face
If you try to take my hat
