

Frog Kissing

SE-101

Called by Joe Goins

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

*Remember in the fairy tale how the wicked witch's spell
Changed the handsome prince to a toad
Through the power of her potion she handed him the notion
He was lower than the dirt in the road
4 ladies promenade one time around now
Swing your man around, promenade then listen
If you've never been frog kissin' then
You don't know what you been missin'

FIGURE MS

Heads star thru, California twirl
Dosado around that corner girl
Swing thru now, boys run right
Bend the line, right & left thru
Flutter wheel around now,
You're gonna slide thru and swing her
Swing that corner girl, promenade then listen
If you've never been frog kissin' then
You don't know what you been missin'

ALTERNATE LYRICS

*Once upon a time ago, I was down and feelin' low
Like a lonely frog in a pond
Life was just a joke and I was very near a croakin'
I was zapped by life's wicked wand

*There's a happy after land, deep within the heart of man
Where a prince or princess abide
But all we get are glimpses of the handsome prince or princess
Cause they're covered by a green warty hide

TAG

Hey listen! Just slow down, turn around, bend down, and kiss you a frog
