

Happy Tracks

SE-110

Called by Joe Goins

OPENER

Sides face grand square

*I know you've heard people say many, many times

You don't pass through this world but once

You get yours and I'll get mine

But I've got a philosophy that I'd rather go by

Just listen and you might try it

Allemande left and weave

Leave a lot of happy tracks as you go down life's road

Leave a lot of happy tracks everywhere you go

Leave a lot of happy tracks, and keep this in mind

Others will have to follow in the path you leave behind

ALTERNATE LYRICS

**As you walk the streets of life notice your fellow man

And when he gets in trouble lend him a helping hand

***Don't ever use a good friend for a personal gain

To gain wealth and lose one friend would only be in vain

FIGURE

Head (side) two couples promenade halfway round you go

Down the middle with a right & left thru and turn the girl you know

You flutter wheel across that floor and then sweep 1/4 more

Pass thru with a dosado, now do an eight chain four

Leave a lot of happy tracks as you go down life's road

Swing your corner lady boy and promenade her home

Leave a lot of happy tracks, and keep this in mind

Others will have to follow in the path you leave behind
