Walk around that corner lady

(2nd) And shook a whole lotta cans

Swing and whirl that pretty little girl, promenade that ring

(Both) We ain't half bad for two old cats like us

FIGURE (twice heads - twice sides)

Heads (sides) promenade halfway round that ring

Down the middle square thru four hands around I sing

Four hands around and then dosado

Swing thru two by two, boys you run

Half tag, trade & roll, pass thru, trade by

Swing that lady go round & round, promenade that ring
