SE-124

Called by

OPENER - MIDDLE BREAK - CLOSER

Four little ladies chain now go straight across that ring
Gonna roll that lady with a half sashay and circle to the left go around
Now four little ladies gonna roll away, hey circle to the left go round
Now an allemande left with the corner and weave the ring
I'd make love to you in a New York minute
And take my Texas time a doing it
Swing that girl and promenade
I'd make love to you in a New York minute
And take my Texas time a doing it
Prove that in my arms is where you belong

FIGURE (twice for heads, twice for sides)

1 & 3 go right & left thru and then you roll away
Slide thru and do a dosado one time
Swing thru tonight and let the boys run right
Tag the line all the way thru and face to the right for me
You wheel & deal one time around,
pass thru, do a u-turn back
Swing that girl and promenade
I'd make love to you in a New York minute
And take my Texas time a doing it
Prove that in my arms is where you belong
