

## Goodbye, World, Goodbye

SE-205

Called by  
Gene Aldridge

### OPENER

Circle left

I've told all my troubles goodbye  
Goodbye to each tear and each sigh  
Left allemande the corner, turn the partner by the right  
Left allemande the corner, weave the ring  
I walk and I talk with my Lord  
Swing your girl around and promenade  
Heaven is near, and I can't stay here  
Goodbye, world, goodbye

### FIGURE

Heads square thru four hands you go  
Around the corner lady dosado  
Swing thru and then, you spin the top for me  
The boys move up with a right & left thru and turn the girl you see  
Come on and square thru three hands around  
Swing your lady there and promenade  
Heaven is near, and I can't stay here  
Goodbye, world, goodbye

### MIDDLE BREAK

Circle left

I won't have the blues anymore  
When I step across to that shore  
Left allemande the corner, turn the partner by the right  
Left allemande the corner, weave the ring  
A day maybe two then goodbye, goodbye to each sorrow and sigh  
Heaven is near, and I can't stay here  
Goodbye, world, goodbye

### CLOSER

Four boys promenade inside the ring  
Get back home and give your girl a swing  
Join hands and circle left, go walk, walk, walkin' there  
And do an allemande left with the corner girl and weave around the square  
I'm gonna rise with a shout, gonna fly  
I'm gonna rise with my Lord in the sky  
Heaven is near, and I can't stay here  
Goodbye, world, goodbye, world, goodbye
