

Lovin' On

SE-301

Called by Greg Hatmaker

OPENER - CLOSER

Circle left

*Let the morning find you safe and warm
Let the evening find you in my arms
Left allemande now, do a dosado
Those men star left and turn it one time and go
Gonna turn your partner by the right, to the corner allemande
Swing that girl around now you promenade that land
In the meantime honey you and I
Will be lovin' on

ALTERNATE LYRICS

*There'll be mountains we may have to climb
There'll be rainbows we may never find

FIGURE

Heads (sides) square thru in the middle
It's four hands to the tune of the fiddle
And find that corner lady dosado around and go
Swing thru it's two by two and now the boys run right
As couples circulate, you ferris wheel tonight
Do a double pass right on thru, leaders partner trade
Swing that girl around you promenade I say
In the meantime honey you and I
Will be lovin' on

MIDDLE BREAK

Sides face grand square
There'll be mountains we may have to climb
There'll be rainbows we may never find
But we'll never have to face that climb alone
Allemande left now and weave that ring
Let the troubles of the day go by
Swing your honey, promenade I cry
In the meantime honey you and I
Will be lovin' on

TAG

In the meantime honey you and I
Will be lovin' on
