

For Once In My Life

SE-401

Called by

OPENER - MIDDLE BREAK - CLOSER

Circle left

*For once in my life I have someone who needs me
Someone I've needed so long
Men star right and roll it one time tonight
Left allemande and weave the ring
**For once unafraid I can go where life leads me
Dosado and promenade
For once in my life
I have someone who needs me

ALTERNATE LYRICS

*For once in my life I won't let sorrow hurt me
Not like it did before

**For once I can say this is mine you can't take it

*For once I can touch what my heart used to dream of
Long before I knew

**You're all I needed, all that I hoped for

FIGURE

Heads (sides) square thru four hands you go
Dosado that corner girl
Swing thru and then boys run right
Bend the line, reverse that flutter wheel
Ladies lead dixie style, boys cross fold
Swing that corner, promenade
For once in my life
I have someone who needs me

TAG

Swing her one time
For once in my life
I have someone who needs me
