

Full Grown Fool

SE-704

Called by
Marty Northrup

Opener - Sides Face Grand Square

- * Mama said son, be careful where your heart goes
- * Bad love will only bring you sorrow
- * Slow down - be careful what you're doing
- * Give it more than just a glance

Left Allemande and Weave

What can you do for a full grown fool

You can talk, talk till your face turns blue

There's no gettin' through - to a full grown fool

Figure (Twice for Heads - Twice for Sides)

Heads (Sides Promenade half way 'round the ring go

Sides (Heads) Square Thru movin' round I sing now

Meet the corner - R&L Thru and you turn her

8 chain 6 across you do ooh

What can you do for a full grown fool

You can talk, talk - Swing and Promenade her too

There's no gettin' through - to a full grown fool

Additional words for Middle Break

**32 beat Music Interlude

Left Allemande & Right Left Grand

What can you do for a full gown fool

You can talk, talk till your face turns blue

There's no gettin' through to a full grown fool

Additional words for Closer

*** Well, I knew I was gone the moment you found me

I lost touch with everything around me

Mama's words they flew right out the window

Burning hot and running fast

Left Allemande and Weave

--- same as opener and middle break
