No Milk Today TT 011

Open/break/close

Sides face, grand square

No milk today, my love has gone away
The bottle stands forlorn, a symbol of the dawn
No milk today, it seems a common sight
But people passing by don't know the reason why

Four ladies promenade inside the ring you go
Get back and **swing** and whirl your boy and then you **promenade**
How could they know the palace there had been
Behind the door where my love reigned as queen

Figure

Heads square thru count it **four** hands around now
With the corner lady there you **dosado** in time
Swing thru and now the **boy** you **run right** now
Bend the line and do the **right and left thru**
You **pass the ocean**, please, **recycle** 'round and **swing**
Swing and whirl that girl and then you **promenade** that ring
How could they know the palace there had been
Behind the door where my love reigned as queen

Tag

Allemande left and **swing** your girl
No milk today, it wasn't always so
The company was gay, we'd turn night into day
