Now that's all right with me

TT 012

Open

Circle left

All you have to do now, baby

Is pull on my heart strings

Left alemande and do a **dosado**

Left alemande and **weave that ring**

Love me like a river, darling

I'll love you like the sea (or: **swing and promenade**)

Love me anytime at all

'Cause that's all right with me

Figure

All the **heads (sides) square thru**, you count it four hands around

You find the corner, do a **dosado**

Swing thru tonight and all the **boys run right**

Bend the line, right and left thru

You **pass the ocean** here

Recycle, you know

Swing your girl and all **promenade**

Love me anytime at all

'Cause that's all right with me

Break and closer

Sides Face Grand Square

Ooh the night is tender and the night is long

And I like what I see

There's a sparkle in your eyes, like the stars in the sky

And I know what that means, **alemande and weave**

Oh anytime, or anyplace,

Wherever we may be (or: **swing and promenade**)

Well we're wild and we're young and we're free to love

And that's all right, that's all right with me
