

Wanted Man

UR-17

Called by Leon Whiting

OPENER - MIDDLE BREAK - CLOSER

Circle left

I used to want no ties to bind me

The only love I took was free

Left allemande the corner, dosado your own

Left allemande and weave around the ring

You've made a wanted man of me

Swing your girl and promenade for me

You've set your sights on making sure I don't run free

You've made a wanted man of me

FIGURE

Heads square thru 4 hands around you go

All the way and then that corner dosado

Swing thru tonight and the boys run to the right

Ferris wheel, move on in and the centers veer to the left

Half tag, face to the left, and the corner lady swing

Keep this girl and promenade around the ring

You've set your sights on making sure I don't run free

You've made a wanted man of me
