

Hillbilly Rock

VEN-1116

Caller: Mel Wilkerson

TB OMAR Hillbilly Rock –

OPENER - Circle to the left

*It came from Mississippi, and down in Alabam
Creeping like a fever, all across the land
Left allemande your corner, do a dosado
Left allemande your corner, then you weave you know
It's the hillbilly rock, beat it with a drum
Swing your girl around & promenade her home
Keeping up the rhythm, steady as a clock
Doin' a little thing called the hillbilly rock

Break - SIDES FACE, GRAND SQUARE

(musical interlude 32 beats)

Four ladies promenade inside that floor
Get on home and swing and promenade once more
Keeping up the rhythm, steady as a clock
Doing a little thing called the hillbilly rock

Close - Circle Left

So when the heat starts risin' & you gotta blow some steam
Take a ride down the river, you'll see just what I mean
Left allemande your corner, do a dosado
Left allemande your corner, then you weave you know
It's the hillbilly rock, beat it with a drum
Swing your girl around & promenade her home
Keeping up the rhythm, steady as a clock
Doin' a little thing called the hillbilly rock

Alt Middle Break – Grand Square

Way back in old Kentucky, where the bluegrass grows
Through the Carolinas, on them red dirt roads
Burnin' like a fire, runnin' wild in the woods
From Arkansas to Texas, it sounds so good
Four ladies promenade inside that floor
Get on home and swing and promenade once more
Keeping up the rhythm, steady as a clock
Doing a little thing, Called the hillbilly rock
