Caroline Caroline when I'm with you I got a one-tracked-mind
I'm in love, lord above, You're so fine, Caroline.
Caroline Caroline You got me thinking 'bout you all of the time.
I'm in Love, can't get enough, say you're mine, Caroline

Just to watch you walking down the street
Is such a treat, it's christmas every day.
And I can't wait to get you home,
where I'll unwrap you all alone and say "Hey Hey"

Caroline Caroline when I'm with you I got a one-tracked-mind
I'm in love, lord above, You're so fine, Caroline.
Caroline Caroline You got me thinking 'bout you all of the time.
I'm in Love, sure enough, say you're mine, Caroline

Now when you bat those baby blues,
I'll come unglued, I loose it every time.
Just to hear your whisper in my ear
Commences sending shivers in my spine, every time.

Caroline Caroline when I'm with you I got a one-tracked-mind
I'm in love, lord above, You're so fine, Caroline.
Caroline Caroline You got me thinking 'bout you all of the time.
I'm in Love, can't get enough, say you're mine, Caroline
I'm in Love, can't get enough, say you're mine, Caroline
I'm in love, lord above, You're so fine, Caroline.
