Memory can't you see
 That's not what I should be
 After all she meant to me
 I'm just a memory

Hand in hand we used to walk
 Heart to heart we used to talk
 Now she's gone and it will be
 I'm just a memory

Memory can't you see
 That's not what I should be
 After all she meant to me
 I'm just a memory

Yesterday when she was mine
 There have been no better times
 And every night I think of when
 She'll come back again

Memory can't you see
 That's not what I should be
 After all she meant to me
 I'm just a memory

After all she meant to me
 I'm just a memory
