PENNY ARCADE (KDM-101)

Called by: Chris Froggatt

Sydney, Australia

Opener, Middle break

(Sides face, grand square)
* A light shone in the night somewhere ahead
Blue turning to green and then it was red (circle left)
And stirring the night love music played
(Allemande left, promenade)
** The light that shone in the night
Was the penny arcade

* First I thought it a dream that I was in
Lost, lost in a sea of glass and tin (circle left)
So, dipping my hand in the back of my jeans
** I grabbed a handful of coins to feed those machines

Figure - twice for Heads, twice for Sides

Heads promenade, go ¾ round the ring
Side two will do the right & left thru
Double pass thru, 1st 2 left, next 2 right
Make a line go forward up & back
Star thru, square thru 3 hands and then
Corner swing promenade around and then
It played and it played, played all the time
Roll up and spend your last dime

Closer

Circle left
Step up and play each machine seemed to say
As I walked round and round the penny arcade
Men star by the right, once around tonight
Allemande left and weave around that ring
And the music played round the penny arcade
(Swing and promenade)
It played and it played, it played all the time,
Roll up and spend your last, roll up and spend your last
Roll up and spend your last dime
