Each morning I wake up alone,  
for too long I've been on my own  
You seem to fill my heart and mind,  
the greatest love that I could find  
Love that I could find

I'll never ever let you go  
though you hurt my feelings  
You bring back memories all the time  
I'll never ever be the same  
since you left me lonely  
So please come back to me again

These last days I've been down and blue,  
I wonder if you miss me too  
I think about you all the time  
and keep on waitin' for a sign  
Waitin' for a sign

I'll never ever let you go  
though you hurt my feelings  
You bring back memories all the time  
I'll never ever be the same  
since you left me lonely  
So please come back to me again

I cry out your name,  
I'm sick and tired of this game  
Oo... baby, kiss me,  
I think this love was meant to be  
Oh yeah... oh...  
love was meant to be, yeah
