### German contribution to the Eurovision song Contest 2006

<http://www.eurovision.tv/english/germany.htm>

Original Artist: Texas Lightning  
Original Album: Maxi CD (2006)  
Writer/ Composer: Jane Comerford  
Publisher: Sony BMG

My love is stronger now than you'll ever know  
and it won't ever let you go  
My love is wider than the ocean can be  
and it's deeper than the deep blue sea  
My love goes higher than a mountain can rise  
and I see it there in your eyes  
My love gets tougher when the going gets rough  
and believe me, I've got more than enough

Keep tryin' babe, keep holding on  
There's a place we belong  
Where things are good, where love is strong

#### Refrain.

I'm never ever gonna leave you to cry on your own  
Never ever gonna not go and pick up the phone  
I'm never ever gonna let you be chilled to the bone  
No, no, never  
No, no, never  
I'm never ever gonna leave when you're lost in the storm  
Never ever gonna not keep you safe where it's warm  
I never ever will desert you when your heart is torn  
No, no, never  
No, no, never

My love shines brighter than a twinkling star  
baby no matter where you are  
And my love keeps burning like an eternal flame  
you can feel it, when I'm calling your name

Keep tryin' babe, keep holding on  
There's a place we belong  
Where things are good, where love is strong

#### Refrain.

I'm never ever gonna leave you to cry on your own...
