Original Lyrics

(Writer / Composer: Chris Barber)

Take me back to New Orleans
take me back to where that music's playin'
you never know what it means boy
Take me back to New Orleans

Bring a plate of Rice & Beans
cook(serve) me up a mess of Yambalaya
you never know what it means boy
take me back to New Orleans

Down Bienville, cross Royal
'long Charades to Jackson Square
where the marching band goes by the people stand and stare
take St. Peter up to Burgundy
back to Bourbon along to Dumain
take me where that music plays
before I go insane.

Take me back to New Orleans
take me back to where that music's playin'
you never know what it means boy
take me back to New Orleans

Bienville, Royal, Charades, Jackson Square
St. Peter, Burgundy, Bourbon, Dumain
Due my love to New Orleans

Take me back to New Orleans
take me back to where that music's playin'
you never know what it means boy
take me back to New Orleans
