

Imagine

A-1006

Called By Jason Dean

OPENER - MIDDLE BREAK - CLOSER

Circle to the left

*Imagine there's no heaven, it's easy if you try

Left allemande, turn thru at home

Left allemande & weave the ring

Imagine all the people

Swing your girl & all promenade

(Living life in peace/sharing all the world)

You may say that I'm a dreamer, but I'm not the only one

FIGURE

Heads (sides) square thru & go, you do a dosado

Swing thru & then recycle round

Veer to the left & ferris wheel, pass thru and

Touch 1/4, scoot back there

Swing the corner girl and promenade

I hope someday you'll join us and the world will live as one

ALTERNATE LYRICS

*Imagine there's no countries, it isn't hard to do

*Imagine no possessions, I wonder if you can
