## **OPENER/BREAK/CLOSER**

Walk around that corner girl, see saw your own  
The men star right one time you know  
Put an arm around your partner, star promenade  
Girls roll back, left allemande  
Weave around that ring  
You ought to see Deacon Jones when he rattles them bones  
Swing that girl & promenade you go  
Singing hail, hail the gang's all here  
for the Alabama Jubilee

## **FIGURE (Heads/Sides)**

Heads (sds) square thru four hands you go  
Round that corner lady you do a dosado  
Make your wave & swing thru, then spin your top  
Boys move up go right & left thru  
Turn that girl & then  
You pass thru, chase right, find that corner swing  
Swing that girl & promenade that ring  
Singing hail, hail the gang's all here  
for the Alabama Jubilee
