SOPHRONIE

CLCD-6

OPENER/BREAK/CLOSER

Four ladies promenade once around you go
Get back & swing with your man
Join hands & circle to the left around you go
Left allemande your corner & weave around that ring
Love em & leave em
Kiss em & squeeze em
Swing that girl & promenade around that ring
Since my Sophronie left me so lonely
Now there's a teardrop in my eye

FIGURE (Heads/Sides)

Heads (sds) promenade travel 1/2 way around now
Walk in & square thru go four
Swing thru the outside two & the boys run right
Do a half tag the line, then trade & roll
Pass thru trade by find the corner swing
Swing that girl & promenade
Since my Sophronie left me so lonely
Now there's a teardrop in my eye
