IN THE SHELTER OF YOUR ARMS

CL-12CD

OPENER, BREAK, CLOSER

Four ladies chain across that ring
You roll away and circle left.
Four ladies roll away and then
Left allemande and weave the ring.
It took so long to realize
Swing that girl and promenade.
Tune out the world and rest my head
In the shelter of your arms.

FIGURE

Head [side] two promenade, half around that ring
Walk in, square through go four
You touch one quarter, follow your neighbor here
Take a peek and trade the wave for me
All eight you circulate, one time and swing
Swing your corner, promenade
Tune out the world and rest my head
In the shelter of your arms.

TAG

In the shelter of your arms.
