## BRING BACK CL-14CD

### **OPENER, BREAK, CLOSER**

Circle left. Bring back. Bring back.

Bring back your love to me.

Walk around your corner, see saw your own

Left allemande, you weave around the ring.

I need your kisses, oh how I miss them.

Swing this girl and promenade

If you'll just come on home, I'm beggin' please

Bring back your love to me.

### **FIGURE**

Those heads [sides] square through, four hands you know

Do a right & left through the outside two, turn the girl

Touch one quarter, follow your neighbor here.

Do a linear cycle, move it down the line.

Let's square through, three hands around

Boys fold, star through, promenade the ring

If you'll just come on home, I'm beggin' please

Bring back your love to me.

### **TAG**

Bring back your love to me.
