# **DREAM OF ME**

CL-7CD

## **OPENER, BREAK, CLOSER:**

My life on the road dear, it's been hard on you & me  
Walk around that corner, see saw your own  
The men star right, one time around  
Left allemande that corner, dosado  
Left allemande & promenade  
Dream of me & I'll be dreamin' of you

## **FIGURE:**

Heads (sds) promenade half way round the ring you go  
Sides (hds) go right & left thru & turn her  
Square thru 4, 4 hands around the ring you know  
Dosado and 8 chain 4  
Dream of me, swing your corner promenade  
Just close your eyes & think of me  
I'll be dreamin' of you

\*I've been a lot of places, there's just no place like home.

\*When you're feeling lonely, just remember we won't always  
be apart
