DR-1007

Called by
Scott Zinser & Jenney Snyder

OPENER

Circle left

In the summer nights, when the moon shines bright

Feeling love forever

Allemande left and then, dosado my friend

Allemande left and weave the ring

Fly on the wings of love, fly baby fly

Swing, promenade that girl touchin' the sky

FIGURE

Head couples promenade halfway round that way

And side couples square thru go 4 now

Go all the way and then, right & left thru my friend

Eight chain 6 across that floor

Fly on the wings of love, fly baby fly

Swing and promenade

Reachin' the stars above, touchin' the sky

MIDDLE BREAK

4 ladies chain the ring, roll a 1/2 sashay and

Circle left around that ring

4 ladies roll away, circle left that way

Allemande left and weave the ring

Fly on the wings of love, fly baby fly

Swing, promenade that girl touchin' the sky

CLOSER

Circle left

And as time goes by, there's a lot to try

And I'm feeling lucky

Allemande left and then, dosado one time

Allemande left and weave the ring

Fly on the wings of love, fly baby fly

Swing, promenade that girl touchin' the sky

TAG
