### OPENER - MIDDLE BREAK - CLOSER

Circle left

Billy does your bulldog bite

I've got to see your sister tonight

Left allemande and dosado so right

Left allemande and then you weave the ring

Bill does your bulldog bite, turn thru

Left allemande, swing and promenade her

I want to kiss and hold her tight

So tell me Billy does your bulldog bite

### FIGURE

Heads square thru 4 hands and go

Around the corner you dosado

Swing thru and the boys run right

Wheel & deal (step to a wave), relay the deucey tonight

\*There's a girl in the neighborhood

I'd get close to if I could, (swing and promenade)

I think she likes me, but I don't know for sure

I walk by and she's waving from the door

### ALTERNATE LYRICS

\*Her kid brother's got a dog that's mean

Meanest dog that I've ever seen, (swing and promenade)

I can't even set a foot in her yard

Hey little Billy why you laughin' so hard, (circle)

\*So I went down to the pound

And I got me a female hound, (swing and promenade)

One that mean ol' bulldog would like

And I turned her loose on him tonight, (circle)
